

# BISHOP'S ORCHARDS FUNDRAISING IS THE RECIPE FOR CASH!

.....

## We offer traditional products that are easy to sell!

For more than 20 years Bishops Orchards has been helping non-profit groups reach their financial goals through fundraising; our pies are more than good, they are GREAT for your nonprofits bottom line! It's like having your very own bake sale. How does it work? We offer a selection of our most popular pies (frozen only) and cookies (in the form of frozen cookie dough); you purchase from us at a discounted price, then sell to your clients at a suggested price...it's that simple!

\*Prices are valid through December 2022.

Allergy Information: Bishop's Orchards Pies are produced in an environment that processes nuts.

## Determine your dates:

You will need to set a cutoff date for taking orders and a handout date for customers to receive their items; this means you need to work backwards. Think about "when do you want to hand out the baked goods?" "How long are you giving your group to sell?" Be sure to leave yourself extra days to collect and calculate everything.

Orders must be placed with Bishop's Orchards at least 14 days prior to your pick up date. Fundraising minimum order is 50 pies. Preferred pick up times are Monday-Friday 8am to 11:30am & 1:30pm to 4pm. Weekends from 10am to 2pm are by appointment only.

Quoted prices are for pick up only, cash or check. A 50% down payment is due when the order is placed. The remaining balance is due upon pick up. No exceptions. Pies are individually packaged in pie containers for protection. Baking instructions are included on each label; pies must be kept frozen until baked. Cookies come preformed and pre-packed, 24 per container, labeled with cooking instructions.

Please note, to ensure accuracy of each order, we strongly encourage you to submit accurate, complete orders. Nutritional information is available upon request.
